About Our Company

Total Marine India Pvt Ltd is an ISO 9001 : 2015 compliant company with a vision to be a leader in quality ship management by setting higher standards for safe, green and clean seas. We enable our principals to achieve their objectives and stand as global leader in maritime industry. Total Maritime Services is an ISM/ ISO compliant company accredited by all top IACS classification societies to carry out ship management. Company is led by master mariners and former chief engineers who ensure that they are managed to best standards and keep abreast with latest statutory requirements.

Mr. Kulwinder S. Padda, Founder

Founded in the year 2004, by late Mr. Kulwinder S. Padda, Total Marine has seen a steady growth. Our organization has continued to maintain the high work ethics over the years.

OUR VISION

At Total Marine Pvt Ltd, we envision a future where maritime excellence is the standard. We strive to be the leading partner in ship management, combining cutting-edge technology with unwavering commitment to safety and operational efficiency.

OUR MISSION

Our goal is to empower our team, protect our oceans, and ensure that every vessel we manage navigates the seas with integrity, reliability, and innovation, setting a benchmark for the maritime industry. Together, we will lead the maritime industry towards a sustainable and technologically advanced horizon, inspiring confidence in every journey.

Our Values

Ownership Quotient

Holding responsibility on behalf of our principals to ensure higher standards by complying with innovative and eco-friendly methods to manage vessels.

Transparency

Treating our business partners with fair, honest commitments & highest transparency are our ethical standards.

Our Strength

A well designed management hierarchy makes each and every employee in Total Marine, work with ownership and utmost responsibility.

Our Goals

Safety

Our primary policy is to ensure safe working standards onboard, with zero injury, zero accident and zero pollution.

Human Resources

We provide the best platform for the highly competent sea and shore staff.

Economy

To put all our efforts together, to bring down the day to day operating cost of the vessels, without compromising on the quality.

Board of Directors

Capt. Sandeep Dhillon
(Director/DPA/CSO/OPS)

Qualified master mariner with a vast shore based management experience, paramount responsibility is ensuring established operations of all fleet vessels, keeping pollution and safety aspects of each vessel into contemplation.

Ms. Manveen Kaur Padda
(Commercial Director/Insurance)

Having majored in management studies and marine insurance, her role is to maintain a brief on all vessel commercial activities and liaise with insurance companies to ensure vessel is covered for all activities.

Mr. Arun Kumar S.
(G. M. Technical)

Ex. Chief engineer with over 10 years experience in managing the vessels, is responsible in ensuring the fleet vessels are always in compliance with safety, voyage, class & other statutory requirements.

Mr. Rakesh Sahu
(Finance Manager)

Finance Manager with 18 years of experience in marine industry, responsible for overseeing budgeting, financial planning, & reporting activities. Ensures compliance with financial regulations, supports strategic decision-making through data analysis, & maintain overall financial health of the organization.

Capt. Sanjay Dubey
(HSE Manager)

Ex. Master with 15 years experience both on and offshore who is leading the operation department. He is also managing the officers and crew training department.

Who we are?
